

PCW STICK PART NUMBER MATRIX *						
W	S	08	M	08	M	2 D 5 G - B
<b>W = Water Stick</b>						
<b>Type</b> <b>S = Supply Stick</b> R = Return Stick C = Component Device						
<b>Inlet Size</b> 04 = 1/4" 06 = 3/8" <b>08 = 1/2"</b> 12 = 3/4" 16 = 1" 24 = 1-1/2" 32 = 2"						
<b>Inlet Connection</b> C = Compression E = Extended Hose Barb F = Female NPT H = Hose Barb <b>M = Male NPT</b> U = Extended Union V ** = Extended Union (Compact) Y = Union Z ** = Union (Compact)						
<b>Outlet Size</b> 04 = 1/4" 06 = 3/8" <b>08 = 1/2"</b> 12 = 3/4" 16 = 1" 24 = 1-1/2" 32 = 2"						
<b>Outlet Connection</b> C = Compression E = Extended Hose Barb F = Female NPT H = Hose Barb <b>M = Male NPT</b> U = Extended Union V ** = Extended Union (Compact) Y = Union Z ** = Union (Compact)						
<b>Flow Meter Range</b> A = 1 GPM <b>B = 5 GPM</b> C = 16 GPM D = 28 GPM E = 100 GPM X = Not Required						
			<b>Options 2 (for Item 2)</b> P = Petes Plug® <b>G = Pressure Gauge</b> D = Dual Pressure / Temp Gauge X = Not Required			
			<b>Item 2</b> 1 = Ball Valve (Oval Handle) 2 = Ball Valve (Lever) 3 = Flowmeter 4 = Globe Valve <b>5 = Regulator</b> 6 = Regulator (180°Orientation) X = Not Required			
			<b>Options 1 (for Item 1)</b> P = Petes Plug® G = Pressure Gauge <b>D = Dual Pressure / Temp Gauge</b> X = Not Required			
			<b>Item 1</b> 1 = Ball Valve (Oval Handle) <b>2 = Ball Valve (Lever)</b> 3 = Flowmeter 4 = Globe Valve 5 = Regulator 6 = Regulator (180°Orientation) X = Not Required			
<b>Notes:</b> * Not all possible part number configurations are available. Please contact Valex for availability. ** Used only for 1.5" and 2" union sizes using a stainless steel mating end connection.						

## PCW UNION FITTING PART NUMBER MATRIX

WU	-	16	U	-	P	X
<b>Product Line</b> WU = PCW Unions				<b>"Thread" Side End Connection</b> X = None ** M = Male NPT		
<b>Union Size</b> 08 = 1/2" 12 = 3/4" 16 = 1" 24 = 1-1/2" 32 = 2"				<b>"Flat" Side End Connection</b> P = PVC C = CPVC H = Hose Barb		
<b>Union Type</b> U = Standard V = Compact *						

\* Used only for stainless steel "Flat" side end connection options.

\*\* UX and VX end connection options on flat side used for PCW sticks which already contain compatible mating ends.
