**Information Automatically Collected From You.** When you visit the Site, we may collect information automatically using cookies, web beacons, or similar technologies from your computer, tablet, mobile phone or other device used to access the Site, as well as related software. Cookies are small strings of text sent by our website to your browser which are then stored by your browser on your computer's hard drive. Our cookies allow us to personalize your experience on the Site, make your visit more convenient, and understand how you and others are using the Site so that we can improve your experience on the website.
